Visiting Our Town: Sneedville, TN

- Our search for a life of simplicity, brought us to the Town we are so blessed to now call home, only a short 10 minute drive from Love Our Soil Farms.
- A hidden gem nestled in the mountains of Central Appalachia called Sneedville Tennessee, the heart of Hancock County. Settled in 1795 and originally called Greasy Rock, Sneedville has a rich history of good, friendly and loving people that

represent true Southern Charm. From our Towns welcome sign, to our historical Courthouse, you will feel as if you have stepped back in time and then instantly feel at home as you give a return wave back to the folks passing by. As a bonus, Sneedville also happens to be the hometown to Country Star Morgan Wallen and The King of Bluegrass Jimmy Martin, this town is historically and currently full of amazing talented local musicians.

- Although Sneedville is a quaint small country town, we can find here everything we need. It is flourishing with amenities; a museum, churches, convenient stores, a small grocery store, gas stations, beauty salons, bakeries, dollar stores, banks, restaurants, a coffee shop, hardware store, Park, Gym, drug stores and The Wide spot (seasonally- sales, veggies, fruits). It is however important to know, our town closes down early (another reason we love it!). So if listening to the talented locals picking and singing @ Music Night, most Fridays in the lobby of Hardees is not the only entertainment you're looking for, below are other nearby towns with additional nightlife activities.. We must also mention, we do have various festivals etc.. on the weekends.
